June/July Scouting Around Flier

I heard Wood Badge is so much fun, it's like a vacation or retreat?
Yes, this is very true. Most of our participants return home saying "That was so much fun, I forgot I was actually training- but I still learned a lot!"

Isn't the Wood Badge Course the same type of management training large corporations will spend thousands of dollars to send 1 employee?

Yes, the Corporate Programs are expensive. BUT, the Wood Badge Program uses the same contemporary leadership and management tools developed by the same people who created the corporate programs- **You get the same program at a fraction of the cost!** Wood Badge conducts the training within the fun and energetic Scouting Program!

What is Wood Badge?

Wood Badge is a comprehensive training course to help leaders hone their skills, extend their understanding of the youth they lead and the adults they work with, and to go to new levels of personal growth and learning as Scouters. As Scouting has grown and evolved, so too has Wood Badge. *Wood Badge offers Leadership Training to adult volunteers within the Cub Scout, Boy Scouting, Varsity Scouting, and Venture Scouting Programs.* This is a must for all Scout Leaders!

The economy is tough right now. Is there funding help available?

Absolutely! If you are seeking financial assistance consider contacting these sources.

- Your unit's budget for leadership development.
- Your employer's continuing education policies.
- AFL, CIO, or VFW memberships. (See the Wood Badge Website for applications)
