**Purpose**

The purpose of the Colonel Henry Crown Leadership and Service Award is to recognize front-line Scouters, i.e., unit leaders and assistants, Webelos leaders, den leaders and assistants who have made a significant difference in the lives of registered youth members of the Boy Scouts of America. The award recipient must embody exceptional values-based leadership characteristics. The recipient must have directly or profoundly impacted the life of one or more Scouts.

**Council Procedure**

1. Recipients are selected by the Colonel Henry Crown Leadership and Service Award Committee, who will be appointed each year by the Council President. The Scout Executive or a designated staff member serves as advisor to the Committee.
2. The Committee screens, prioritizes and selects worthy nominees. Nominations may be submitted to the Committee by any registered adult or professional staff member.
