

Order of the Arrow Ballot

The below nominated Scouts have been listed by the Scoutmaster as eligible for election to the Order of the Arrow (OA) by meeting the following criteria: at least First Class Rank, & 15 Days & Nights of camping (including one long term/summer camp).

Indicate your yes vote for each person by circling each name that you think should be elected. You may choose to vote for all the candidates, some of the candidates or none of the candidates. **If you are new to the troop and feel you do not know the candidates well enough to judge if they are Scouts worthy of being nominated for the Order of the Arrow, do not turn your ballot in.** (Ballots not turned in do not count either for or against the total number of votes cast.) To be elected, a candidate must receive a yes vote (name circled) by at least one half of the ballots that are turned in for counting. Once again you may vote for any number of candidates (including yourself), if you think they are deserving of the Order of the Arrow honor.

This election is NOT a popularity contest. Don't vote for a candidate because he is your friend or do not vote for a candidate because he is not a friend. What counts is how YOU think he sets the example by living up to the Scout Oath and Law, both in and out of Scouting. **THIS IS A SECRET BALLOT** which is seen only by the election team.

Indicate a yes vote by circling each candidate's name. A name NOT circled is a no vote
